

AURAS ENERGY

INTUITION and You

with Susan Paige, MTI, OMC

The universe is made up of energy. It surrounds us and flows through us. Developing and using our intuition can help us to sense and feel energy. Having awareness of energy around us can give us insights to our emotional, physical and spiritual aspects, which can help create balance in our lives.

This class is for anyone wishing to increase their awareness for a more joyful life for themselves, or if you are a practitioner or massage therapist, to create a more meaningful practice.
